A bit about our sponsors...

Fieldfisher is a leading European law firm with a top-ranked Regulatory team who support clients facing regulatory and compliance issues, for example with the Health and Care Professionals Council or Care Quality Commission. The wider health and care team has in-depth expertise on establishing or expanding a business in the sector whether employment, corporate, real estate, procurement or finance advice is required.

Bacpac client management software – bacpac is simple, portable and secure and has all the features you need to run a successful and efficient practice. It takes the grind out of administration so that you can focus on what really matters - your clients.

CQT – Care Quality Training are a CPD accredited and Skills for Care endorsed training organisation. We specialise in delivering a range of training programmes such as Mental Health First Aid Awareness, Child Development and Physical Intervention skills, across the UK.

Protecting the professionals – Howden know how.

Howden is a specialist liability insurance broker - we provide insurance solutions for professional associations and their members in the field of psychological therapies. The policy is designed to protect you in the event of any civil liability arising from your business or professional activities, and any complaints to your professional association or registering body. Special rates apply to ACP UK members.
